

Nieuwe installatie

Installatie voorbereiden

Mocht er al een eerdere versie van e.solution op de PC geïnstalleerd zijn, dan moeten de volgende stappen worden doorlopen wanneer een update niet lukt.

De update software kan worden gedownload inclusief handleiding op: https://mhiae.com/e-solution/.

Vorige versie van e.solution volledig van PC verwijderen

Vereiste

- De e.solution softwareversie 3.9.X of ouder is op de PC geïnstalleerd.

Stappen

- 1. De oude softwareversie van **e.solution** deïnstalleren.
 - [Windows 7] Systeem instellingen → Programma deïnstalleren
 - [Windows 10] Instellingen \rightarrow Apps \rightarrow Apps en onderdelen
- 2. De inhoud van de map Mitsubishi Heavy Industries e.solution opschonen tot en met onderstaande.
 - Deze map bevind zich standaard in C:\e.solution.

🔄 country.ini	Configuratie-inste	1 kB
📓 language.ini	Configuratie-inste	1 kB
